**Company Description:**

Edinburgh's Telford College (ETC), founded in 1968 is one of the largest government funded colleges in Scotland. The College has 600 staff and in July 2006 moved to a new purpose-built, state-of-the-art £70million campus.

ETC provides vocational, post-school education and training with an extensive range of programmes from foundation to pre-Masters level.

An award winning college with ambitions to be a world-class learning and teaching organisation by 2015, it has 18,000 students (4,500 full time) with 1,700 students from outside the UK. Accredited by the British Council and active in international markets since the early 1990's, ETC has been delivering transnational education programmes since 2003 in dental technology, hospitality management and computer engineering in India, China, Philippines, UAE and Libya.
