

Mark Roelofsen**ESD - Educational Sustainable Development**

Mark has worked with UKT&I to identify the UK's ESD 'offer', and to engage effectively with people and organisations overseas who are keen to learn more about how they can work with the UK. As a result Mark has assisted UKTI deliver five ESD activities around the world, including Forums in Hong Kong and Dubai, and a presentation in Argentina. He is now pleased to bring the UKTI ESD stand to Malaysia.
